The image shows a technical drawing of a 1D object. It features a solid black outline of a central shape, which is a rectangle with a pointed bottom. This central shape is surrounded by several dashed lines that form a series of nested, slightly offset rectangles, creating a sense of depth or multiple views. The drawing is set against a light gray background.

2D

An abstract geometric composition featuring a light gray rectangular area. The top-right corner of this rectangle is defined by a series of concentric, curved dashed lines that sweep upwards and to the right. The bottom-right corner is defined by a series of parallel dashed lines that sweep downwards and to the right. The text '2E' is centered within the gray rectangle.
